What is IMTEC Oman 2015?

IMTEC Oman 2015 Exhibition & Conference is one of the biggest project that will provide you with convenient access to business, networking and investment opportunities, and will be a one-stop shop platform that will bring together different segments of the health and medical industries to showcase the latest technologies, services and facilities to the trade.

If your company is planning its entry strategy into Oman healthcare market, or is simply aiming to increase its share of this growing market, then Oman is an essential part of your strategy to grow your customer base and business. Take advantage of the huge opportunities in healthcare travel market and meet face-to-face with key decision makers.

Exhibiting at IMTEC Oman 2015 provides an unique combination of networking and corporate branding opportunities and is a perfect opportunity to boost your company’s profile amongst influential decision-makers in the Omani healthcare industry.

Your company’s participation in IMTEC Oman 2015 not only strengthens global awareness of your products and services to an audience of important decision-makers but, more importantly confirms your position as an industry leader.

According to Report of Medical tourism Department of Oman Ministry of Health 2013, around 70 thousand Omani citizen have got treatment abroad, with the total amount expenses around 100 Million Dollars.
